MEMORANDUM FOR THE RECORD

Morning Meeting of 1 July 1968

X1

[REDACTED]

[REDACTED]

25X

Godfrey initiated a discussion on the low level of enemy military activity in Vietnam.

[REDACTED]

25X

The Director commented on Walt Rostow's concern over Soviet intentions with regard to disarmament, the Middle East, and other issues. He asked D/ONE to consider these questions with the intention of publishing on them.

[REDACTED]

25X

Carver informed that there will be no session with Secretary Clifford today.

Maury reported that the briefing on advanced aircraft provided to Senator Symington by Carl Duckett and Bruce Clarke was very favorably received. The Director noted that Senator Symington expressed to him his pleasure with the briefing.

Maury noted that Senator Pell will be traveling to Czechoslovakia to explore possibilities for improved economic relations.
